## Tote-ally Cute Jute

Great news! In addition to our regular hostess rewards, you will earn this functional jute bag absolutely FREE when your party sales reach \$400 or more (not including tax or shipping and handling). Our Tote-ally Cute Jute has bamboo handles and is made from biodegradable and recyclable natural vegetable fiber and dyes. It is designed to fit shopping carts and car trunks, but would be great for tossing your beach towels in for a day at the pool, etc! (20 x 16 x 18).

Limit one per hostess, per party.
